

Privacy Policy

Last updated: 10/05/2026

This Privacy Policy explains how we collect, use, store, and protect your personal data when using this application (“Service”).

1. Data Controller

The data controller is:

DiaHelper

Contact: botlicenta@gmail.com

2. Information We Collect

We may collect the following types of data:

2.1 Personal Data

- Email address
- Username
- Account identifiers (User ID)

2.2 Health-Related Data (Sensitive Data)

- Blood glucose readings
- Health metrics entered by the user
- Time-stamped medical measurements

This data may be considered **sensitive personal data under GDPR** and **protected health information (PHI) under HIPAA-like standards**.

2.3 Device & Usage Data

- Device type
 - App usage logs
 - Error logs
 - IP address (for security purposes)
-

3. How We Use Data

We use your data to:

- Provide core application functionality
- Store and display your health metrics
- Sync data across devices
- Improve app performance
- Detect and prevent security issues

We do **not sell personal data**.

4. Legal Basis (GDPR)

We process your data based on:

- Consent (when required)
 - Contractual necessity (app functionality)
 - Legitimate interest (security and improvement)
 - Legal obligations
-

5. Health Data Protection (HIPAA-style safeguards)

If health data is processed, we apply safeguards including:

- Restricted database access
- Audit logging for data changes
- Authentication controls
- Minimal data retention

Note: This application is not a certified HIPAA Covered Entity.

6. Data Storage

- Data is stored securely in cloud databases
 - Access is restricted to authorized systems only
 - We retain data only as long as necessary
-

7. Data Sharing

We do not share personal or health data with third parties except:

- When required by law
 - With user consent
 - With essential infrastructure providers (e.g. database hosting)
-

8. User Rights (GDPR)

You have the right to:

- Access your data
 - Correct your data
 - Request deletion (“right to be forgotten”)
 - Export your data
 - Withdraw consent
-

9. Data Security

We implement:

- Authentication & authorization controls
- Audit logging
- Secure database access policies

However, no system is 100% secure.

10. Children’s Privacy

This service is not intended for users under 16. We do not knowingly collect data from children.

11. Changes to This Policy

We may update this policy periodically. Users will be notified when significant changes occur.
